STAND ALONE ACTIVITIES FOR K+

We're so excited to share this collection of Moose Hide Campaign colouring pages and activities with you! These pages are a creative, flexible, and engaging way to help students connect with the values and messages of the campaign while exploring topics like gratitude, personal power, and standing up against violence. All of the artwork was done by Hawlii Pichette, you can learn more about her [here](#).

Campaign Story Colouring Booklets

Included in our resources this year is a colouring booklet that tells the story of the Moose Hide Campaign. This resource comes in two versions:

- With Story Text: Perfect for reading aloud as a class while students colour, or for independent reading and engagement.
- Without Text: A great option for more advanced learners. After hearing or watching the story—either through our [animated video](#) or a group reading of the booklet—students can write the story in their own words, reflecting their understanding and personal voice.

Both versions are available in two formats:

- Full-Size Booklet: One page per image. Ideal for group readings or as individual, detailed colouring pages.
- Mini Booklet: Four images per page. Great for quick activities or take-home booklets.

STAND ALONE ACTIVITIES FOR K+

Standalone Colouring Pages

Some of the full-size booklet pages also work beautifully as individual colouring pages. These pages can be used:

- As calming, reflective art activities
- As visual aids during classroom discussions about the campaign
- As meaningful take-home pieces that spark conversation at home

Campaign Sign Colouring Page

This special page includes blank signs for students to fill in. Use this activity to encourage students to:

- Think deeply about the message of Moose Hide Campaign Day
- Create their own posters or slogans
- Reflect on what they want others to know or do in support of ending gender-based violence or spreading good medicine (love and kindness)!

"I Stand with the Moose Hide Campaign" Colouring Page

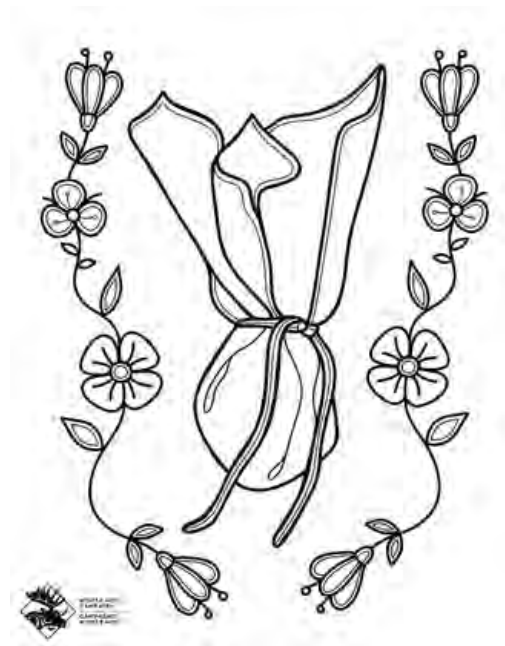

This powerful page is great for all ages and can be used as:

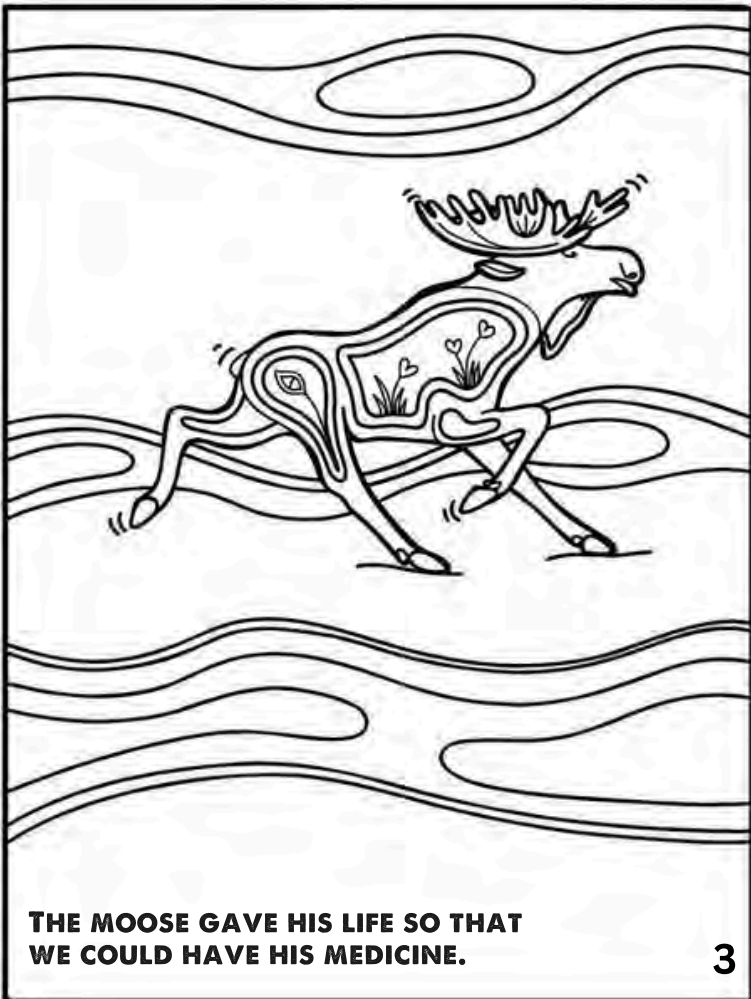

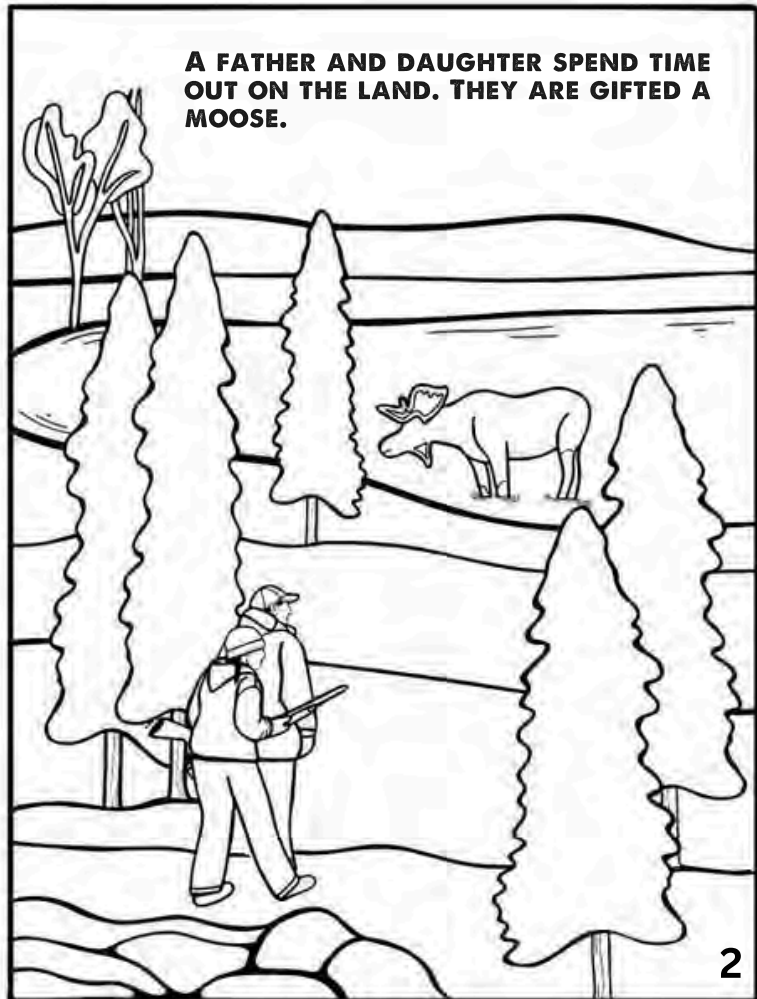

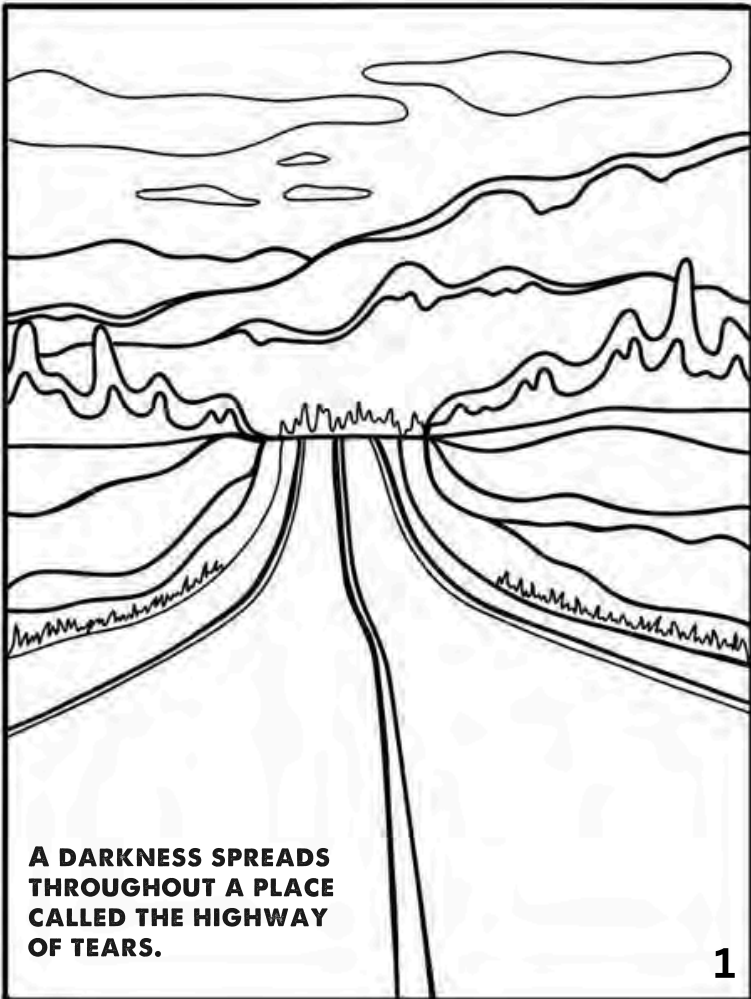

- A group display to show the power of the campaign
- A take-home message of support
- A meaningful classroom decoration on Campaign Day

Tobacco Tie Colouring Page & Activity

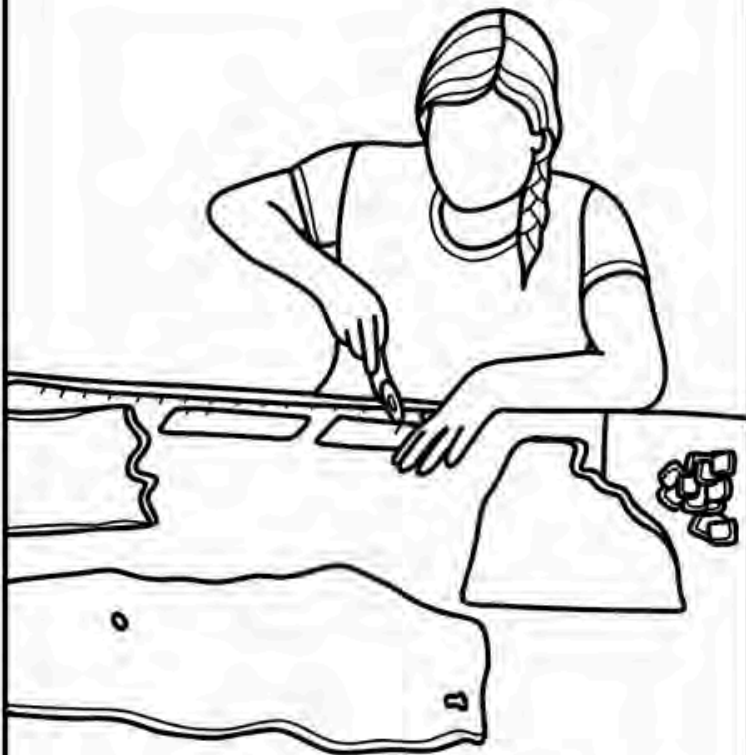

This all-ages colouring page invites students to reflect on the “good medicines” in their lives—the things that help them feel strong, grounded, and grateful. After colouring, students can write or draw what they are thankful for inside or around the tobacco tie image, creating a meaningful piece of personal artwork.

We hope these resources help you and your students connect with the heart of the Moose Hide Campaign in a creative and personal way. Thank you for standing with us. ❤️

TOBACCO TIE ART PROJECT

FOR ALL GRADE LEVELS

MOOSE HIDE

Tobacco is one of the four sacred medicines in many Indigenous cultures and is used in ceremonies and offerings to give thanks and to bring our prayers or thoughts to our ancestors or to creator.

A tobacco tie is a small bundle of tobacco wrapped in cloth, often given to someone or offered to the land as an act of gratitude, respect, and intention. We often use red cloth as some Nations believe red to be the colour our ancestors can best see.

This colouring sheet features a tobacco tie and invites you to approach it with care and thoughtfulness. As you create your artwork, take a moment to reflect deeply on who or what you are grateful for. Use your creativity to honour that person, place, or experience.

We encourage you to treat this activity with the same care and respect as you would if you were creating a real tobacco tie. Let your artwork carry good thoughts, gratitude, intention and positive energy.
