

FRIENDSHIP BRACELET MAKING WITH RAVEN LACERTE AND COTTONBALL ON CBC KIDS!

THIS WORKSHOP IS CREATED FOR PRE K+

MOOSE HIDE
CAMPAIGN
CAMPAGNE
MOOSE HIDE

Join Raven and Cottonball in this fun and meaningful CBC Kids video (for grades Pre-K and up) as they talk about making friendship bracelets and choosing special gems to include—like the moose hide pin! Each gem represents something important, like kindness and love. Learn what each one means and why they matter. After the video, students can take part in their own friendship bracelet art activity, designing a bracelet filled with the values and symbols that are meaningful to them.

After watching the video have your students decorate their own friendship bracelet on the print out below! Have them draw images in the gems that are meaningful to them.

There are two charm bracelet options attached.
